Hello and welcome to Get Creative @ Spotlight!

We are committed to offering **Free Quality Accessible Arts** to the young people of East London. At Spotlight you can find classes to develop your talent, try new things, and help you achieve your goals. We work with the best creative artists in London and believe that young people deserve the opportunity to express themselves freely and creatively. In this booklet you will find details of the classes and activities that we offer over the Spring Term.

You will need to book - some sessions are weekly & some ask for a longer commitment. You will find details under each session description. If you have any questions you can ask any one of the team, we're here to help!
